

Certificate of Registration

This is to certify that the Quality Management System of:

Raysons Technologies Inc

4090 Jeffrey Boulevard, Buffalo, NY, 14219, United States of America

applicable to:

Manufacturing of machined and fabricated components and assemblies for high reliability; such as aerospace, automotive, medical, military and rail markets.

has been assessed and registered by NQA against the provisions of:

AS9100D & BS EN ISO 9001:2015

in accordance with the requirements of EN 9104-001:2013. This registration is subject to the company maintaining a quality management system, to the above standard, which will be monitored by NQA.

A handwritten signature in black ink, appearing to read 'M. Wray', is written over a large, faint, light blue 'nqa' watermark.
